

Incline High School

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

School Goal: By June of 2024, Incline HS will improve student relationships/respect by 5% points from 72% to 77% as measured by the Parent Climate Survey by creating a diverse student voice group and through continued relationship building, and Social Emotional Learning (SEL) activities in Advisory.

To support students to achieve this goal, we will:

1. Student Climate Survey
2. Advisory Data monitored through 1:1 meetings
3. Monitoring Weekly Attendance/Advisories

Student, Staff, and Family Partnerships Goal

Increase belonging and emotional, social, and academic support for students by having one teacher as their Advisor for all four years (ideally). Advisors will know students' strengths, needs, hopes, and dreams, goals, family, assist them with academics, goal setting, informational interviews, job shadowing, finding an internship in their area of interest &/or service-learning projects. This will improve our Climate Data in Adult Support, Adult Respect and Student Respect by 5% to: Adult Support 71% to 76%, Adult Respect 68% to 73%, and Student Respect 67% to 72%.

To support students and families to achieve this goal, we will:

1. Climate Survey 22-23
2. Advisory Surveys
3. Highlander Voice – ongoing throughout the year
