## 2023-2024 SCHOOL PERFORMANCE PLAN

### Student Success Goals

1. The number of 9th grade Individualized Educational Plan (IEP) students earning all 3 core credits will rise by 5%.
2. The number of 9th grade English Learners (EL) students earning all 3 core credits will rise by 5%.
3. The number of EL students and students on an IEP who reach proficient level in English Language Arts (ELA) and math on the American College Testing (ACT) will rise by 5%.
4. The number of EL students achieving level 3 or 4 on the Science Assessment will rise by 5%.

To support students to achieve this goal, we will:

1. Use Lancers Excel to provide students with targeted intervention on foundational skills that will help them meet learning goals.
2. Pull 9th graders who need additional supports in math to work with Algebra 1 teachers.
3. Provide EL and IEP students with additional instruction in test-taking skills and vocabulary development prior to taking the ACT.

### Student, Staff, and Family Partnerships Goal

School Goal: The percentage of students who report feeling that they are a part of McQueen will increase to 75% (from 67%).

To support students and families to achieve this goal, we will:

1. Identify and share with teachers social and emotional learning practices that can be embedded in classroom instruction and environment.
2. Teach Social Emotional Learning (SEL) lessons during Freshman Seminar to improve students' interpersonal skills, such as problem-solving, conflict resolution, self-control, communication, negotiation, sharing, and good manners. Other skills that could be taught include listening, stress management, and decision-making.
3. Create more opportunities for students to voice their concerns and ideas about activities at McQueen.
