

SPANISH SPRINGS HIGH SCHOOL

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

By the end of the 23-24 school year, Spanish Springs High School will increase graduation rate to 90 percent or greater, which is just below pre-pandemic rates. This will be done through a focus on credit attainment and credit recovery in all grades while working to close the achievement gap in core classes with our English Learners and Individualized Educational Plan (IEP) students.

To support students to achieve this goal, we will:

1. Offer free after-school tutoring with transportation provided as well as 24/7 access to the Paper Tutoring platform. Use the Multi-Tiered Systems of Support (MTSS) team more strategically.
2. Identify students needing support and schedule them into the appropriate support classes.
3. Work with teachers to develop tier 2 and tier 3 interventions in their classrooms.
4. Collaborate with the MTSS team to identify students in need of more intense tier 2 and tier 3 interventions and schedule time for those interventions.

Student, Staff, and Family Partnerships Goal

The Social Emotional Learning (SEL) competency of Self-Management data, reported by the student climate survey, trended down. By the end of the 2023-24 school year, the SEL competency of Self-Management will increase by 10%: from 58% to 68%.

To support students and families to achieve this goal, we will:

1. Continued development of SEL lessons.
2. Direct instruction of SEL lessons, (focus varies per grade level).
3. Lessons to include Digital Citizenship, financial literacy, career building, social awareness, and self-management through the use of School Connect.

Resources for Parents and Families

Quick Tips for Parents and Families

Get involved! Contact Christina Kallas for information about volunteering with our school.

Stay connected! Let the front office know if your phone number, email, or home address has changed.

Know your child's teachers! We are here to support your child's learning journey.
