

Student Success Goal

Reduce chronic attendance issues and tardies and increase student engagement in the curriculum. Specifically, we will decrease our overall chronic absence numbers from 54% to 44%. Additionally, we will increase 9th grade core credit attainment from 47% to 57% and 10th grade core credit attainment from 47% to 57%.

To support students to achieve this goal, we will:

1. Improvement will be measured by daily attendance rates and daily tardy rates for all grades and subcategories, and by credit attainment for 9th and 10th graders.

Student, Staff, and Family Partnerships Goal

Increased positive contact with parents and increased opportunities to give us input on the School Climate Survey. In the survey under the section on relationships and respect, Q1 is 66%, Q2 is 72% favorable, and Q5 is 69% favorable. We would like to increase all of these scores by a minimum of 10%.

To support students and families to achieve this goal, we will:

1. We will compare the 22-23 survey results with the 23-24 survey results to see how many families have participated and what the outcomes of the survey are. Last year we had only 33 responses to our parent climate survey. That is less than 1% of families for our student population. This year, we would like to see at least 30% of our families respond to the survey. That would be a minimum of 275 surveys completed.

Resources for Parents and Families

Quick Tips for Parents and Families

Get involved! Contact Cynthia Waddell for information about volunteering with our school.

Stay connected! Let the front office know if your phone number, email, or home address has changed.

Know your child's teachers! We are here to support your child's learning journey.
