

Student Success Goal

Increase overall academic achievement success rates by increasing the percentage of 9th and 10th grade students earning core credit to ensure high school completion, as well as student college and career readiness by focusing on performance in College and Career Readiness Standards (CCRS): ACT assessment, Advanced Placement/International Baccalaureate (AP/IB) Performance, Career and Technical Education (CTE) Pathways, and Dual Credit.

To support students to achieve this goal, we will:

1. At the end of the 23-24 school year, 84% of the freshmen class of 2027 will earn all core credits (defined as math, English, and science).
2. At the end of the 23-24 school year, 84% of the sophomore class of 2026 will earn all core credits (defined as math, English, science, and social studies).
3. At the end of 23-24 school year, the junior class of 2025 will earn an overall performance score of math 30% & ELA 30%.

Student, Staff, and Family Partnerships Goal

Improve family involvement at school functions by establishing a baseline of data from which families and staff can learn and grow together. Increase the level of family engagement at Wooster High School and have a better understanding of family needs by increasing parent responses on the climate survey by 100% from 114 responses in 2022-2023 to 228 responses in 2023-2024 in order to better understand how to support students' 9th/10th credit attainment and CCR readiness at Wooster HS.

To support students and families to achieve this goal, we will:

1. Increase of 100% response rate on the Parent Climate Survey.
2. Increase of 10% favorability in Family Efficacy and School Fit on the Parent Climate Survey (from 73%).
3. Increase of 5% favorability in Supportive Place on the Parent Climate Survey (from 88%).
