

NORTH STAR ONLINE

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

During the 23-24 school year, North Star Online School will increase the number and types of supports to struggling learners, to include in-person opportunities as measured by a comparison of teacher invites and attendance logs at in-person events.

To support students to achieve this goal, we will:

1. Identify specific students in need of support.
2. Pull weekly data to identify students who are failing or in danger of failing.
3. Provide teachers with data.
4. Schedule weekly synchronous support sessions.
5. Schedule in-person Riggins days for high school students to attend and get support from teachers.

Student, Staff, and Family Partnerships Goal

North Star Online will schedule bi-weekly New Student Family Training (NSFT) sessions prior to enrolling students as measured by school calendar and event sign-in sheets.

To support students and families to achieve this goal, we will:

1. Schedule NSFT sessions every other week.
2. Train staff on the NSFT process.
3. After families attend the NSFT sessions, an email will be sent to them with the required final enrollment information.
4. Inform families of North Star's online learning platform, expectations, and structure.
