

Desert Skies Middle School

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

DSMS will continue to use ELLevations strategies in all classes throughout the 23-24 school year. DSMS teachers selected four strategies (words360; RACE organizers; think, write, pair, share; sentence scramble) that were used during the 22-23SY that have proven effective with our English Learner students. DSMS will implement one strategy per quarter and all teachers will be required to use the selected strategy a minimum of one time each week.

To support students to achieve this goal:

1. Student growth will be measured in the Winter and Spring through iReady diagnostic screenings in both reading and math. These scores will be compared to the Fall diagnostic baseline to determine student growth.
2. Student growth will also be measured through classwork and classroom formative assessments.

Student, Staff, and Family Partnerships Goal

Desert Skies will engage at least 20% of our parents and community members at calendared and virtual events as measured by attendance sheets and unique logons to our website.

To support students and families to achieve this goal, we will:

1. Track number of parents participating in school events.
2. Number of events offered to parents and community.

Resources for Parents and Families

Quick Tips for Parents and Families

Get involved! Contact Karolina Moran for information about volunteering with our school.

Stay connected! Let the front office know if your phone number, email, or home address has changed.

Know your child's teachers! We are here to support your child's learning journey.
