

SKY RANCH MIDDLE SCHOOL

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

Increase overall Smarter Balanced proficiency by 4% in math and English Language Arts (ELA). We will increase both English Learners (EL) and Individualized Educational Plan (IEP) by 3% in both areas.

To support students to achieve this goal, we will:

1. Continue to work in department of Professional Learning Communities (PLC) to align rigor of common assessments and check for mastery of assessment—Tier I instruction mastery.
2. Identify students that need extra support and scaffolding – EL, IEP, Attendance issues, or students failing.
3. Use i-Ready resources to align rigor with Smarter Balanced and District level assessments.
4. Monitoring to make sure students are getting 45 minutes of i-Ready in ELA and Math.

Student, Staff, and Family Partnerships Goal

Based on 23-24 climate data, our goal is to increase overall respect data by 10% and decrease events of disrespect in Infinite Campus by 10%. We will do this by building classroom relationships and a sense of community between staff, students and stakeholders through connectedness and community building activities.

To support students and families to achieve this goal, we will:

1. Weekly monitor of minor behavior events, divide data by subgroups.
2. Meet with individual students and contact parents.
3. Weekly community circles on Fridays in Enrichment
4. Tie weekly community circles to Social Emotional Learning competencies.
