

STUDENT INTERNSHIP EXPERIENCE

Sponsored by

Renown[®]
HEALTH

Renown Health Explorers Program

Students explore Renown Health, learning from a variety of health and patient care professionals about career opportunities in direct medical care, diagnostics, informatics (patient information management), management & human resources.

Throughout the semester, required job skills & expectations of the healthcare field will be discussed, practiced & reinforced. Students will also develop a network of resources to access training & support after graduation.

Attributes of Applicants

- Desire and commitment to attend all meetings.
- Collaborate, communicate, and relate well to others.
- Manage time effectively to meet deadlines and balance school course load.

Class Structure

There are 3 components to the class:

- Weekly class meeting
- A service-learning project in the health & wellness occupational area
- Employability skills assignments & a final presentation
