**Roy Gomm Families, thank you in advance for supporting your student(s) and faculty during this crazy 2020-2021 school year. By becoming a PFA member and donating, your contributions will greatly enhance the faculty's ability to better serve our students. The PFA has already provided much needed equipment to help Roy Gomm function better during this season of Covid19, but with these unexpected needs and restrictions our ability to fundraise will be greatly diminished this school year. Regular membership is \$20, but we have included a few other options (with humor) to help support our students and faculty.
Thank you and please consider donating!**

_____ \$20 Basic PFA Membership to have a voice that supports my child and school

_____ \$50 I want to be a member, but I don't want to spend hours baking cupcakes and brownies for Gopher Day this year, so here is the money I would have spent on those delicious baked goods.

_____ \$75 I want to be a member, but I don't want to run, walk or cartwheel in any activity that has the word "thon" in it, so here is the money I would have spent for my child's "free" jog-a-thon t-shirt.

_____ \$100 I want to be a member, but I don't want to attend that fancy Denim and Spring party, so here is the money I would have spent this year on a new outfit that I would have never worn again.

\$_____ I want to be a member and show appreciation for making my life easier and not asking me to buy or sell anything this year, here is my donation to clear my name and put my feet up.

Please make checks payable to Roy Gomm PFA and bring check or cash to the Office or send with your student for Teachers to collect. THANK YOU!!
