

Counseling

Hello Roy Gomm Families! My name is Kaylee Ward and I am the school counselor at Roy Gomm Elementary. I am thrilled to be joining the Gomm community and I cannot wait to start building relationships with the scholars at this amazing school. I am passionate about creating a safe and welcoming counseling space for all scholars and I place great value on humor, fun, and hope. Please do not hesitate to reach out to me and I am so excited to meet you all shortly!

Kaylee Ward, M.A.

School Counselor

Roy Gomm Elementary

What do school counselors do?

School counselors implement comprehensive school counseling programs by providing short term individual counseling, group counseling, social-emotional classroom lessons, long term counseling referrals, 504 coordination, and advocating for systematic change to promote equity and achievement for all students.

School counselors often help students with themes including life transitions, emotional and behavior management, developing social and academic skills, goal setting, identifying strengths, addressing areas of personal/academic growth, and more!

How can scholars contact the school counselor?

Scholars can use the counselor request forms located in the office, classrooms, and Ms. Ward's office to request a meeting with the counselor. Scholars can also write their name and grade on the whiteboard located on Ms. Ward's door and will be called down to the office as soon as possible.

Request to see the Counselor

Name: _____ Grade: _____

Homerom Teacher: _____

I'd like to talk about...

- School / Bus
- Friends
- Home
- Something Personal
- Other

This problem is...
