Things to think about:

*Please do not spend money on folders as we will pre-purchase these supplies for our classrooms.

*Students don't need a pencil box, we provide one.

*Please think about the size of a backpack when you purchase one. Backpacks need to be small enough to fit into a cubby.

*Also, there is no need to label all the supplies as most will be collected and available for everyone to access throughout the year!!

YOUR TIMELINESS ON FILLING THE SUPPLY LIST IS GREATLY APPRECIATED!
