

# ORDER YOUR TO-GO MEAL NOW!

Did you know meals are available even on days you're not learning in school? If you're interested in taking home meals for those days, let us know! We'll make sure they're packaged and ready for you to pick up at the end of the day.

Meal costs will be charged accordingly based on student eligibility.

**Pick up the meals that you have ordered for your at home day in the cafeteria after school.**

### **In-School Student To-Go Meals**

At secondary sites, meals will be provided for students on days they're not present in school. We will have meals and staff available daily at the end of school to distribute meals to students. We are asking that students inform the cafeteria cashier at breakfast or lunch if they'll be picking up a meal that afternoon (for the next day); we'll use that information to ensure meals are available for pick up after school. Please reference supplemental announcement scripts to share with students.

### **Distance Learning Students**

With a sizeable number of students accessing their education in a full distance model, we are also providing meals for students not attending physical campuses. For those students, we've created a form that their parents/guardians can access, informing of their intent to pick up meals.

### **DISTANCE LEARNING ONLINE MEAL ORDER FORM**

Meals will be available for pick up on Wednesdays, from 3:00 pm – 4:00 pm. Meals will be packed for the week (5 days of meals) and can be picked up at one of three different locations: North Valleys High School, Sparks High School, or Wooster High School. Costs associated with meals will be charged accordingly by student eligibility.

Families must complete the online form in order to ensure meals are available for them when they arrive.
