School Performance Plan Implementation: Using data from your fall interim assessment(s) please provide a short narrative (100 words or less) to capture your progress in the implementation of your School Performance Plan thus far.

Professional Development

Progress PLC process has been implemented and expectations and norms established by school and teams.	Barriers We had some issues with teachers not coming prepared to meetings, so we had an intervention/re-teach expectation session in Sept.	Next Steps We are continuing the weekly process of looking at the results of our common assessments and moving into re/teach and enrichments session during Tier 1 instruction.

Elementary and Middle Schools report interim data here:

1. Based on this data, list the adjustments (if any) you will be making to your action plan?
We are making no adjustments to our action plan other than adding students to our extended day program based upon teacher recommendations as we work through the PLC process. Plan, Do, Check, Act all in Tier 1 instruction

2. What targets will you set for the Winter benchmark based on this initial data? **We are looking at individual growth in ELA and Math based upon Goals set by students and parents during SLCs in November.**
