

Roberta Johnson
Speech-Language Pathologist

My favorite quote is:

“If all my possessions were taken from me with one exception, I would choose to keep the power of communication; for by it, I would soon regain all the rest.” Daniel Webster

This is my 24th year being a Speech-Language Pathologist, and I love making an impact on a child's speech and language skills! I have been happily married for 22 years, and we have two beautiful teenage daughters.
