

Hello future fifth grade families! We are very excited for your students to join us for the 21-22 school year! Mr. Jones and Ms. Montgomery are returning for another year of fabulous fifth grade fun! The students will not be switching classes this year. Each teacher will teach all subjects in their own classroom. This will allow us to build some amazing classroom communities for your child's last year in elementary school.

We are excited to let you know that we both had school supply projects funded through Donors Choose. Thank you to everyone who spread the word and donated! This means the majority of your child's school supplies will be provided. A few of the items that were not a part of our projects are listed below. Your child's specific teacher may have some extra items they prefer in their personal classroom. You will be given that list in your welcome letter. Those will be mailed after August 2nd. We know that purchasing supplies can get expensive, so please let us know if any of this is a hardship for you and we will help to provide all necessary items.

As always, we appreciate your support and look forward to getting to know your child in the fall! Have a wonderful summer!

Sincerely,

The Fifth Grade Team
