

Hello future fifth grade families! We are very excited for your students to join us for the 22-23 school year! Mr. Jones and Ms. Montgomery are returning for another year of fabulous fifth grade fun! We will be returning to our departmentalized model for the year. Mr. Jones will teach ELA and Social Studies and do Marathon Club. Ms. Montgomery will teach math and science and oversee the students' creation of the yearbook. Your child will be assigned to a homeroom in August but will get the best of both worlds during the day. Look for more information in your August welcome letter!

As you enjoy your summer, we thought you might like to watch for school supply sales and have included the list of supplies we are requesting for our classrooms. Some will be used for the benefit of the entire class (like pencils, markers and Kleenex), while others will be for your student's use only. We know that purchasing supplies can get expensive, so please let us know if this is a hardship for you and we will help to provide all necessary items.

As always, we appreciate your support and look forward to getting to know your child in the fall! Have a wonderful summer!

Sincerely,

The Fifth Grade Team
