PRINCIPALS CORNER

Well...it looks like we're gonna make it! I can't believe this school year has come and gone already. We have had our ups and downs, ins and outs and challenges and triumphs but we're finishing on a high note! Fun Run, Field Day, Beach Party, Black Light Party, 5 th Graders to SNJ Camp, Kinder Graduation, 5 th Grade Promotion...we have a lot to celebrate!

Looking back on the last nine months I can't help but have a sense of relief, a feeling of gratitude and a big smile. Nine months ago we were still in the depths of COVID protocols with several mandates still in effect. With your understanding, your flexibility and teamwork we (parents, students and staff) were able to overcome each obstacle presented to us and come out better off for it. I am happy to say...we did it, together!

Have a wonderful, relaxing, safe and healthy summer!

ANNUAL 5TH GRADE SNJ CAMPING TRIP

Our new class of fifth graders will be doing a fun fundraiser when we head back to school. The money will go towards their Sierra Nevada Journeys overnight camping trip. Please hold on to all of your loose change and wait for directions when we get back in August! Thank you in advance!!

Here is a great group shot from this years trip!
