THANK YOU PVES FAMILIES!

Thank you for another great year of toiletry bags! We were able to make about 100 bags that we delivered to Volunteers of America shelters.

PRINCIPALS CORNER

Happy New Year!!!

2022 started just as 2021 ended...with our students and staff working hard, having fun and doing our best to keep everyone in school. It has been an amazing experience to watch our staff fight through all the challenges each day to make sure our students have a great experience and leave here better each day. Thank you! Thank you! Thank you!

We began this year with some critical reminders and a review of our 212 degree (click on the following link for a quick video explaining 212 degrees-

expectations along with some school-wide expectations (whole-body listening, cafeteria behavior and saying please and thank you).

Our supportive PVES families are an important part of our program and success as a school...we appreciate you!

NEWS FROM THE LIBRARY

Spring into action and shop our Spring Book Fair!!!

Our spring book fair starts Monday, February 14th and ends Friday, February 18th. It coincides with our spring conference week this year.

Before school shopping hours: 8:30am to 9:30am and after school shopping hours: 12:30pm to 3:30pm daily, for parents, students and community members.

Additional shopping hours for students: during school hours at all recess times as well as class library times.

Please utilize e-wallets if at all possible (these can be set up directly on the Scholastic website) as that allows students to shop without having to bring cash.

Reminder, masks are required on campus.

Stop by and browse, books are a great choice for the Easter basket and unlike candy, they're good for you.

I look forward to seeing you and as always thank you so much for your past and continued support.

Mrs. Pirtle

THANK YOU YOGA POD!

Yoga Pod, one of our longest standing Partners in Education celebrated their 5th year anniversary in December of 2021. To honor this anniversary and to celebrate our many years of partnership they hosted a member party where they held a live auction with all proceeds going directly to Pleasant Valley Elementary School's Art and PE program.

Mr. Rob Moore from Country Financial (another Partner in Education) filmed the event and edited the night into a short video to allow all of our families to see some of the action. Ultimately, **Yoga Pod and it's members were able to donate well over \$3000.00 directly to us!!!**

Please help me in thanking Yoga Pod for the years of partnership and their continued commitment to our school and students!!!
