

Yvonne Shaw Middle School

Intermediate/Advanced BAND HANDBOOK

2024 – 2025

“Where music howls...”

Dear Band Parents, Guardians, and Students,

Welcome to the Yvonne Shaw Middle School Band program. I am very excited about our growing pack. I am also very excited to have *you* with us again!

Please take your time as you read through the Band Handbook. This will prepare you for how our band program functions. If a problem should arise, please turn to this handbook as your first resource. If you cannot find the answer here, please don't hesitate to contact me. Also, please be sure to complete the **forms** at the end of this handbook and return them to me by **8/16/2024**.

Students who take part in the band program at Shaw are challenged to grow musically and encouraged to achieve their highest potential. In order for this to occur, students must show respect for their teachers, fellow musicians, instruments, any/all music they perform, all guests, and the work each person puts into the band.

If you fulfill the expectations laid out in the handbook, you will complete/finish the year with great memories, true friendships, and a sense of pride and accomplishment for how much you are able to grow.

I can't wait to see what we will be able to accomplish this year!

Sincerely,

Amy Whiteley

Band / 7th +8th Choir Teacher

Intermediate & Advanced Band Grading Procedures

**Band grades will be determined using the grading categories below.*

ASSESSMENTS/CONCERT (75% of overall grade)

- Playing tests: These will be done in class once per quarter so I may give each student feedback and grade their progress. Playing tests may be re-taken for a higher grade by the end of the quarter. Students will have the option to perform live for me at a student and teacher arranged time or record themselves playing to be uploaded to Canvas.
- Written assessments: These will be given to show knowledge of music reading, symbols and terms.
 - To note for all assessments: You will always be given ample notification and will only be tested on concepts that have been covered in class. If you are practicing regularly and completing written assignments, you will not have a problem with any of the tests.

CONCERT ATTENDANCE (20% of overall grade)

We will have several concerts during the year. **Your attendance at these events is mandatory and a major part of your grade.** If you must miss a concert, please submit a signed parent note with a valid excuse to your band teacher either: two weeks before the concert for prearranged absences or within one week after the concert for unexpected absences (sickness, family emergencies, etc). An alternate assignment will be given for excused absences. If you can avoid scheduling elective surgeries/ procedures before concerts (especially dental), please do! See the band calendar attached so you can ensure your attendance at all concerts this year.

PARTICIPATION/ASSIGNMENTS (25% of overall grade)

Participation: Your participation is graded according to your preparedness and active participation in class. Participation is totaled per week out of 100 possible points. Below is the breakdown of how participation is calculated (based on a week where 6th grade students are in class 3 times for that week, please note that on weeks where students are seen 2 times per week the values adjust)

- **Bringing instrument and all accessories (reeds, oil, etc.): 5 points**
- **Bringing binder with all materials (including pencils): 5 points**
- **Playing instrument at appropriate times during class as instructed by teacher: 20 points**

*Participation points will also be subtracted if you are off task or disrupting the class.

- Written assignments: There will be an average of 1-2 written assignments per week pertaining to music notation and literacy, if not completed and turned in during class time the expectation is that the written assignment will be completed and turned in by the Friday of that week or it will be marked late.

Please stay active on Canvas as I will do my best to update assignments and due dates as they arrive!

CITIZENSHIP (Behavior/Work Ethic)

My rules for citizenship are as follows:

- Be respectful to teacher and fellow classmates.
- Do not talk or play out of turn.
- Enter and leave classroom quietly and orderly.
- Employ all the elements of our school positive behavior system.

LATE WORK/ABSENT POLICY

- See planner for the Late Work Policy
- If absent, a student’s participation grade will be lowered because they were not at school to participate in class. Students will need to practice for 20 minutes in order to raise their participation grade. They can do this before or after school or at lunch, upon Mr. Skinner availability. If they make this up at home, parents must send an email to Mr. Skinner confirming they practiced. A physical log will be available to print out on Canvas. Their participation grade will be raised once the student has practiced.

TAKING INSTRUMENTS HOME

- Students are expected to take instruments home every weekend and over Fall, Winter, and Spring Break for practice
- This encourages students to practice their skills at home to continue their growth.
- This is also to give students the time to prepare for playing tests, which are held during class or online.
- Students will be eligible to bring instruments home once the rental form and fee have been handled and I have seen them demonstrate instrument safety properly (usually around week 4)
