A LETTER FROM OUR PRINCIPAL MRS. WADDELL

Dear Sparks High School Families,

We will be upgrading our safety measures over the summer.

We will have a single point of entry system in place. When school is in session, everyone will need to enter the building through the front entrance beginning at 8 a.m. and continuing throughout the rest of the school day. Entry doors in other areas of the building will be locked.

We will have a new perimeter fence around our entire back section of our property, including the parking lot surrounding the mobile classrooms. Student parking will be limited to the area directly behind the cafeteria and C hall. There will be a fence and gate behind G hall. This will ensure that the mobile classrooms are completely fenced in and secure.

Both the B/C courtyard and the C/G courtyard will be fenced in with doors that will only allow exit and not entry.

All students who wish to park on campus will need to register in B1 and get a parking permit.

Estimadas familias de la Preparatoria Sparks

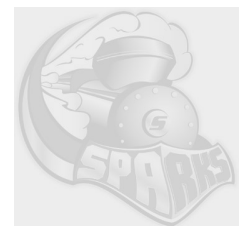

Actualizaremos nuestras medidas de seguridad durante el verano.

Tendremos un sistema de punto de entrada único. Cuando la escuela esté en sesión, todos deberán ingresar al edificio por la entrada principal a partir de las 8 a. m. y continuar durante el resto del día escolar. Las puertas de entrada en otras áreas del edificio estarán cerradas con llave.

Tendremos una nueva cerca perimetral alrededor de toda la sección trasera de nuestra propiedad, incluido el estacionamiento que rodea las aulas móviles. El estacionamiento para estudiantes estará limitado al área directamente detrás de la cafetería y el pasillo C. Habrá una cerca y una puerta detrás del pasillo G. Esto garantizará que las aulas móviles estén completamente valladas y sean seguras.

Tanto el patio B/C como el patio C/G estarán cercados con puertas que solo permitirán la salida y no la entrada.

Todos los estudiantes que deseen estacionar en el campus deberán registrarse en B1 y obtener un permiso de estacionamiento.
