MRS. HARTMAN, MRS. OLDE, AND MRS. RUBERO  
6<sup>TH</sup> GRADE: MS. LANE AND MR. GABBARD

## **Your Grade will be Determined by:**

- In-person approach to learning: Being on time, dressing out, participation, and positive attitude.

## **ATTENDANCE**

1. To be considered on time to PE, students are lined up outside the large gym doors and ready to go into the locker room.
2. PE is a participation-based class and points are earned for daily in-person participation. A student's grade is lowered for every absence or non-participation. Exceptions to this rule will include absences due to school business. It is the student's responsibility to inform the teacher that they missed due to school business.
3. If you are absent, meaning you were not physically at school for personal reasons, students will need to complete a PE makeup form to make-up the in-person assignment. Students will submit the form when they return to their PE teacher.

## **CLASS ROUTINE**

1. Students must meet outside the large gym doors in a straight line and wait for gym teachers to let them in to change.
2. Once students get in the locker room, they have three minutes to get dressed and then must respectfully wait to be dismissed to the activity.
3. Students must be in the assigned role call line and in their designated location for the teacher to check if appropriately dressed.  
Appropriate Attire: the PE uniform requirements include PE shirt, PE shorts, and closed-toed properly tied shoes. Any other footwear will result in a "non-dress." Clean loaners will be available for students. If students forget their clothes at home and need to borrow the school's, a reduction of 4 points from their daily points will occur.
4. Warm-up and Activity/Instruction: students will be expected to participate to their best ability.
5. Clean up the activity.
6. Dress out (3 minutes).
7. At the end of the period, sit by your locker, make sure your row is clean, locks are locked, and wait for dismissal from your PE teacher.
