Spring 2023-2024

Principal's Message

~Darvel Bell, Principal

Please join me in celebrating the announcement of our Valedictorian and Salutatorian for the Class of 2024. To become a Valedictorian and Salutatorian, students must have the top two weighted GPA's, cumulative through their seventh semester, earn at least 18 credits from on-site classes, and they must have met all requirements to earn an Honors Diploma. It is with great honor to announce our Valedictorian is Mia Ibarra and our Salutatorian is Aiden Ryan. We are very proud of their amazing academic achievement! We will have the opportunity to celebrate their unbelievable hard work and commitment, as these two students will give speeches for Graduation at 8:00 am on June 13th. We look forward to seeing you all there.

Our Mustang Boosters is organizing the 4th Annual fun fundraising event, Crashin' in the Corral. This event will begin on Thursday, April 25th, and run through Friday, April 26th. To raise scholarship money for our Seniors, I have agreed to camp out and

sleep in a corral, AGAIN. For you new Mustangs, I will be camped out at the flagpole in the front of the school – and YES, I will be in the corral for the entire time! Thank you to LifeChurch who has already agreed to match our funds raised up to \$4,000. We hope that you will have an opportunity to swing by and donate for our kids. The Boosters will also be hosting a silent auction during this time – more details to come!

We hope that all of you will have the opportunity to enjoy time together as a family over Spring Break. Not only is rest important, but the break will also provide an opportunity for students to either get ahead or caught up on school-work. We want ALL of our students to finish the Spring Semester successfully. We look forward to all of our Mustangs returning on April 8th. Finally, I want to express my sincere gratitude for all that you do to support your student and our Damonte Ranch Family. Thank you!

A proud Mr. Bell with Class of 2024 Salutatorian, Aiden Ryan, and Valedictorian, Mia Ibarra

Single-Point Entry Pilot Project

In an effort to increase the safety in our schools, the Safe & Healthy Schools Commission is working with our Washoe County School District Capitol Projects team in constructing single-point entries at three of our area high schools. Damonte Ranch has been included under this pilot program to increase the safety of our campus for the 2024-2025 School Year. The Capitol Projects team will begin the new remodel construction this summer. The construction will focus on remodeling the front entrance to our campus, in which guests will have to check in via an intercom system before being able to enter our building during the school day. There will also be perimeter fencing installed with safety push gates at the back of the school to eliminate unnecessary traffic behind the school and directing all visitors to enter from the main entrance for proper check in. We will provide more details and guidance when we approach the start of the next school year regarding our single-point entry procedures.

From the Desk of Tim McCartin

~Assistant Principal, Curriculum

The TMCC Dual-Credit opportunity is expanding on the DRHS campus. The Mustang Dual-Credit vision is to allow DRHS students opportunities within college-level courses, in a familiar and supportive atmosphere. This allows students to take classes with friends and embark on a college experience. All Dual-Credit courses count as one (1) full credit of high school and the appropriate college credit in a single semester. The courses taken within the high school framework will allow students to take more interesting courses when they enter a college program and have a greater skill set when entering a career immediately after high school. For more information contact Jon Polson at jpolson@washoeschools.net or go to <https://www.tmcc.edu/jump-start-program>.

Clubs

Each school year, DRHS offers students a choice of more than 25 clubs to become active in, both during lunch and after school. Teachers and parents serve as club advisors. Encourage your student to join a club and get involved.

Dress Code

~Ashleigh Schulewitch, Dean of Students

A) The dress or grooming of students must not present potential health or safety problems. Clothing should fit so that it does not create a health or safety issue. **B)** Clothing shall not contain unprotected speech including, but not limited to: obscene, vulgar, or profane language or illustrations; and, nothing that promotes an illegal activity, including underage drinking, illegal drug use (to include marijuana), domestic abuse, gang membership, battery, assault, or any other civil or criminal conduct which would violate state or federal law. **C) Clothing must cover the body from the chest/breasts to below the buttocks. This includes all private/intimate parts of the body, including the midriff.** **i.** Shirts that expose the shoulders, tank tops, and thin or "spaghetti" straps that adhere to the other provisions of this dress code are allowed. **ii.** Undergarments shall not be intentionally exposed (e.g., bras, boxer shorts). **iii.** Shorts, skirts, skorts, and dresses must be an appropriate length, extending to the student's mid-thigh. **iv.** Pants/bottoms with rips, tears, or mesh are acceptable, but shall not reveal or expose a private/intimate part of the body nor cause a safety concern (e.g., a tripping hazard because the hem of the pant leg drags on the floor). **v.** Nylons/panty hose/tights may be worn as an undergarment under clothing, but not alone as pants/bottoms. **D)** Allowable head coverings are determined by the classroom teacher and will be noted in each teacher's syllabus. Hoods are not to be worn anywhere inside the building. **E)** Sunglasses may not be worn inside the building during school hours, except for medical reasons. **F)** Proper footwear must be worn at all times and shall not pose a potential health or safety problem. **G)** In accordance with state law, items that have been identified as gang-related are prohibited. WCSD School Police, in conjunction with local law enforcement and other agencies, shall determine current prohibitions related to gang appearance, dress, accessories, and activities and shall inform school administrators as needed.

INFORMATION FOR PARENTS WITH GRADUATING SENIORS:

- ◇ Graduation will be held Thursday, June 13th, at Lawlor Events Center at 8:00 AM. Students will be given 10 tickets each for family and friends and seating will be on a first come, first serve basis.
- ◇ Rehearsal will be held at DRHS on Friday, May 31st, at 2:40. Graduating seniors MUST attend.
- ◇ All fees and fines must be taken care of with the Bookkeeper by Friday, May 24th. In addition, any outstanding Library books must either be returned or paid for.
- ◇ Caps and Gowns should be ordered from Jostens. You can call them at 775-626-4944 or go online and order them at Jostens.com. Damonte graduates wear navy blue gowns except for Damonte Scholars, who wear green gowns. Jostens has been given the list of scholars so they will know which color your graduate needs.
- ◇ Caps and Gowns will be distributed May 29th in the Courtyard. Only approved medals, sashes and cords may be worn outside of the student's cap and gown. Graduates are allowed to decorate their caps to express their pride, joy and gratitude in a way that is unique to them. Decorations must be SCHOOL APPROPRIATE.
- ◇ After May 1st, Damonte Scholars, Honor Diploma and PAC Diploma students can pre-purchase their cords from the Bookkeeper. Cords are \$7.00 each and need to be purchased by May 31st. Students will need to pay the Bookkeeper and take their receipt to Mrs. Fike to pick up their cords.

If you have any questions,
please call Janelle Fike at 775-851-5656.

Counselors' Corner

~John Schreiner, DRHS Lead Counselor

Greetings from the DRHS Counseling Team! During the months of February and March, your student had the opportunity to meet with their teachers for recommendations for next year's classes. Yes, we are already preparing for the next school year! Following their discussion with teachers, students met with counselors to finalize course selections. Students who met with a counselor were given a copy of their Grad Plan to share with parents/guardians and discussed future plans for high school credits, graduation requirements, diploma options, credit recovery and more. Final class schedules will be available in late summer. If you would like to view the course selection video, please click the following link: <https://youtu.be/nBvwtcISrGU>.

For students who are planning to take Dual-Credit courses, TMCC is now offering an online version of the Accuplacer exam. Please access the link below for more information about the Jump Start Program.

Attendance

~Marly Barainca, Assistant Principal, Attendance/Discipline

We are entering the last quarter of the 2023-2024 School Year. Please continue to monitor your child's attendance and grades on Infinite Campus so they can finish strong. If you are unable to access the Infinite Campus Parent Portal, please contact drhstech@washoeschools.net and they can reset your Infinite Campus password. Remember both absences and tardies impact your child's ability to be successful in their classes.

Damonte Ranch has implemented a New Tardy Policy this semester to help motivate students to arrive to class on time ready to learn. Some of the more severe consequences include in-school and out-of-school suspension. Tardies will reset after Spring Break. See the new Per Period Tardy Policy below. If you have any questions regarding the new policy, please email Marly Barainca at mbarainca@washoeschools.net.

Per period tardies will be pulled weekly by the Corral. Students having more than 4 tardies in a single period during a quarter will earn the following consequences:

- Round 1 - 4/5 tardies in a single period during a quarter grading period: 20-minute lunch detention.
- Round 2 - 6/7 tardies in a single period during a quarter grading period: VIP lunch detention.
- Round 3 - 8/9 tardies in a single period during a quarter grading period: In-House Suspension.
- Round 4 - 10+ tardies: Parent conference/one day Out-of-School Suspension.

PAC Drama Presents

~Rod Hearn, Director of Drama

Lorca's *Blood Wedding* stands as a pinnacle in his short writing career. A play with bilingual elements, this mainstay of Spanish dramatic literature scrutinizes age-old ideas and traditions through magical realism. With a cast from all levels of the acting program at Damonte Ranch High School, this tragedy is best for audience members age 13+.

Tickets for the play, running May 1-4, at 7:00 pm, are available at www.showtix4u.com.

Happy Spring from the Health Office

~Maureen Rose, R.N., School Nurse, and Erika Esparza, Clinical Aide

As we round the corner into the last quarter of the 2023-2024 School Year, we want to take a moment to send out a couple of year-end reminders.

Class of 2025 - You will need the second dose of your Meningococcal (MCV4) vaccine before starting your senior year. You can get this vaccine anytime after your 16th birthday. Avoid the stress and rush of last-minute vaccine appointments and get it early, once you've turned 16.

Immunization Exemptions (Religious or Medical) - For any students with a current exemption on file, we want to remind you that these require new paperwork each year, if you continue to need the exemption. Toward the end of this school year we will send home new exemption forms. If you need to continue your student's exemption, please fill it out and submit it back to us as soon as you can to avoid the last minute rush in August.

Illness - When to Keep Your Student Home - Please continue to keep your student home if they experience a **fever of 100.4 or greater, any vomiting or diarrhea**. They can return when they have been symptom free for 24 hours without the use of symptom-reducing medication.

- If they have a **sore throat**, please keep them home until it improves.
- If your student **tests positive for COVID 19**, please keep them home isolating away from others for 5 days from when symptoms started. If they are feeling better they can return to school wearing a mask from day 6-10.

Please remember to call the school attendance line to report your student's absence, so their attendance can be appropriately marked.

Enjoy the Spring weather and please contact me if you have any questions at Maureen.rose@washoeschools.net.

From the Science Department

~Sarah Solum, Science Department Chair

The Science Department is looking for Science Peer Tutors for every period next year, including during IC. If your student got a B or higher in their Science Class this year and would like to be a Science Peer Tutor, please contact Mrs. Solum for more information. Your student can see Mrs. Solum in Room W253, or you can email her directly at ssolum@washoeschools.net.

Wrangling Technology

~Cathy Jacobson, Technology Coordinator

Tech Help email is: drhstech@washoeschools.net

As we move through the school year, we are noticing that not all students are bringing their laptops to school. It is important for them to have access to computers so that they may complete work in their classes, AND it is truly best if they have a computer that they can use at home, as well as at school. It provides them with a more consistent experience which supports, not only their learning of content, but also learning how to use the computer. We prefer students to have their own devices that they bring to school, since they are more familiar with these devices which makes them easier to use. However, if for any reason a student does not have a laptop they can use, then they can check out a laptop and a charger from the Library for the school year, after filling out the Device Checkout Form on our website at <https://www.washoeschools.net/Page/14210>. The only thing we ask is that they take really good care of the laptops and return them at the end of the school year in good shape. Please let us know if you have any questions about this. The email for tech help is drhstech@washoeschools.net.

Library News

~Marcella Decker, Teacher Librarian & Erika House, Library Asst.

Happy Spring, Mustangs! There are a couple months left in the school year, but a great time to remind your student(s) to stay current on their library checkouts. We send out overdue notices regularly; please pay close attention to these notices (usually sent via email), especially as we get closer to the end of the year, so there are no lingering issues heading into summer. Bills are sent out in June for unreturned items as they are considered lost at that point. Laptops are checked out year-to-year and are due at the end of each school year, the same as library books and textbooks.

If you have a senior student, having unresolved checkouts or library fines will interfere with a smooth graduation process. **Seniors** will receive an itemized list of checkouts beginning in April, so they are aware of what must be turned in and/or paid in the Library prior to graduation. Please encourage your senior student to visit the Library, if they have any questions regarding these notices. We are happy to help!

If you'd like to visit the Damonte Ranch Library online where you can view all the services we provide, please scan the QR code below or enter the URL address into a browser search. You'll find direct access to Destiny (which is the library resource), book recommendations, internet safety tips, research help, parent links, and more.

DRHS Career Center News

~Lupe Cabada, DRHS Career Center

The **Damonte Ranch Scholarship Award Ceremony** for the recipients of the DRHS In-House Scholarship(s) will be Thursday, May 14th, from 6:30-8 pm, and is by **invitation only**. The DRHS Scholarship Committee is currently grading and scoring essays and resumes, and will begin meeting after Spring Break to select finalists. Students who will be receiving an award from the DRHS In-House Scholarship will be notified no later than Wednesday, April 24th, by their Counselor and a Connect-Ed notification.

A **BIG THANK YOU** to our **DRHS Boosters Committee** for all their hard work in fundraising this year for our Senior Scholarships and Staff Appreciation!

Seniors, if you did not receive a copy of the **Class of 2024 Graduation Information Packet**, please see Mrs. Fike in the Main Office.

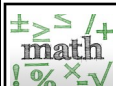

Please visit the Career Center webpage and become familiar with the resources available there. Scholarship information and deadlines are provided on my webpages found below:

Yearbooks on Sale Now!

Purchase your book at [Jostens.com](https://www.jostens.com).

From the Math Department

~A'Laina Ault, Math Department Chair

The Math Department is looking for Math Peer Tutors for every period next year, including during IC. If your student got a B or higher in their Math class this year and would like to be a Math Peer Tutor, please contact Mrs. Ault in Room 122 or at aault@washoeschools.net.

Damonte is offering 6 Dual-Credit Math classes next year through WNC for students who have successfully completed Algebra 2 and have met the grade prerequisites. Three courses are one-semester long: Math 124 (College Algebra), Stats 152 (Intro to Statistics), and Math 182 (Calculus II). Other courses run for a full year: Math 126 (Pre-Calculus), Math 126/127 (Pre-Calculus with Trig), and Math 181 (Calculus I). Each course is taught by a Damonte Math Teacher, and WNC has allowed us to maintain our rigor from when these courses were honors or AP courses. We strongly encourage eligible students to consider these options, as Dual-Credit courses save families thousands of dollars in college tuition. Interested students should talk to their Math teachers for more information.

DRHS Boosters News

~Carmel Bang, DRHS Boosters

The Boosters have had several Senior Events - finals treat bags, donuts, free ice skating, pizza for Valentines Day, breakfast in March!! So excited to be celebrating the class of 2024! More to come!
