Hug High School's Sexuality and Gender Alliance meets the 1st and 3rd Thursday each month at lunch in room 213! If you have any questions, please see Mrs. Clark in room 213, Ms. Schiff in room 220, or Ms. Pennington in CIS. We can't wait to meet you!

The Green Hawks would like to announce that we have launched our lithium battery recycling drive. We have three collection boxes across campus. 304 Mrs Barron, 218 Mr Arsenault, and the Family Resource Center in Mr. Herrera's office. If you have any rechargeable batteries or even rechargeable devices that do not quite work any more, bring them in and we will donate them. Recycling lithium reduces the need for mining and lowers the cost of battery manufacturing through recycling. If you have any questions, feel free to reach out to Mr A or Mrs Barron.

To all students interested in the Adventure Club Snowshoe Tours, please attend the Thursday Club Meeting at lunch in room 124. The first outing of the year is coming up and participants must sign a waiver form. If you have already signed up to join us on the snowshoe tours on January 28 and February 11, you must come to the lunch meeting on Thursday in room 124 to sign forms and get additional information. We still have more space and FREE equipment and transportation for additional students to join in these adventures. Snowshoe Adventure Meeting This Thursday At Lunchtime In Room 124.

Come and support the members of the National Honor Society as they are inducted into this national recognition of their hard work and dedication. The NHS will be holding their induction ceremony on January 29th at 6 pm right here in the Hug High School theater. Parents, staff, and peers are all welcome.
