

A message from GALENA HIGH SCHOOL

Mr. Salter: Principal-

- We are working with our students to reduce the trash and food left in the hallways after lunch. If you receive a phone call from one of the Deans, it may be because your student left trash or was throwing food at a friend and has been given work crew to clean up the hallways.
- The Galena Outdoor Academy will be making our 5th trip of the year and may include a visit to Derby Dam and the Pyramid Lake Fisheries and Museum on April 17th. We will learn about the creation of irrigation systems, maintaining a productive fishery, and the history of Western Nevada from the perspective of the Paiute tribe.

Mrs. Curley: Assistant Principal -

- Science CRTs will begin testing next week. The window will be open until May 2nd.
- The CTE retake window will open April 14th through April 25th. If your child qualifies for a retake, they will be called to take the exam needed during this window.
- The third and final Civics Exam window will also open on April 14th and will be open through May 15th. Seniors with an on-campus class that have not taken their Civics exam should take it in class during this window. Students that are taking the class through Dual credit or online, will be called down and the exam will be proctored during another time they are on campus.
- 2025 AP exams will begin May 5th and be administered through May 16th.

Galena Clinic -

- **From the School Nurse: Attention Parents:** If your child contacts you to get them out of school because they are feeling unwell, please instruct them to go to the health office and we can either write them a pass to drive home or you can pick them up, stay in your car, and we will send your child out to you.
- This helps us in the health office to keep track of illness trends, and update attendance.
- Thank you, Vickie Cooper RN, School Nurse
