- If your student-athlete is currently ineligible, they need to raise all their grades to passing (no F grades) by Friday, April 18th to become eligible to participate in sports.
- Currently eligible student-athletes with an F grade on April 18th will receive an academic warning to bring their grade up in Infinite Campus by April 25th or they will become ineligible to participate in sports.
- Please remind your student-athletes to check their grades in Infinite Campus, turn in missing homework, and talk to their teachers if they need support.
