

Galena Community Update January 24, 2024

Good evening Grizzlies!

Principal-Mr. Salter:

- **On January 29th 2024, during Academic Success, Galena High School will administer a survey to students to collect data on "Hazing, Bullying, and Harassment," at the school. Tomorrow during Academic Success, a passive consent form will be given to students. If you do not want your student to take the survey, please have them return the form to their Academic Success teacher.**
-
- **Check out the events taking place this weekend for Athletics and Robotics: [Rschooltoday calendar](#)**
- Thank you to everyone who came to the Navigate Galena event last week. We are thankful for the praise for the open venue style of night we offered and will make some adjustments according to the suggestions we received as well. We hope to see you again in the fall.
- The Galena Outdoor Academy has 100 interested students and we are awaiting teaching allocation information from the District. If you are interested in the GOA, and have not already expressed interest via the QR code or link, please click this link and complete the Microsoft Form: [Galena Outdoor Academy](#)

Administrative Assistant-Mrs. Leslie:

The 24-25 online registration is now open, please go to your parent portal and complete the registration.

Bookkeeper-Mrs. Sullivan: Webstore update:

The District is in the process of updating the webstore. At this point in time, if you need to pay fees with a credit card, please stop by the bookkeeper's office as the webstore is still out of commission.

Athletic Secretary-Mrs. Rapisura:

Student-athletes must maintain passing grades in all classes. The next three-week grade check for the eligibility of winter athletes is this Friday, January 26th. Please remind your students to check their grades in Infinite Campus, turn in missing homework, and talk to their teachers if they need support. Beginning this spring season, there is a new Media Consent Form to complete. If your athlete is participating in a spring sport, log in to the Aktivite website at <https://www.registtermathlete.com/login/> to check the status of their registration. If the registration status is not marked COMPLETE, review any yellow or red sections for more details.

Counseling-Mrs. Mitchell:

Most TMCC classes started on Monday, the 22nd. Please make sure students are logging into their TMCC Canvas accounts and beginning their courses or they will be dropped.

Counselors will begin meeting individually with students next week to select classes for the 24-25 school year. We will meet with 11th graders during week of the 29th, the 10th graders during the week of February 5th and the 9th graders during the week of February 12th.

Registration: If your student is a 9th-11th grader in TMCC English or if they do not have an English class this semester, please have them come to the counseling department to pick up the course selection sheet.
