# Curriculum

By Marcus Culpepper, Assistant Principal, [maculpepper@washoeschools.net](mailto:maculpepper@washoeschools.net)

Hello Grizzly Families!

If students have not submitted their course selections, they need to go see their counselors to get this completed. The master schedule for the 2022-2023 school year is currently being created. It is driven by course selections, so we need those in ASAP. Here is a link to the course catalog for the 2022-2023 school year. <https://www.washoeschools.net/Page/17683>

Graduating Seniors: Make sure you have ordered the necessary items if you are graduating and plan to walk at the ceremony. Mark and Julie Lee are our representatives from Jostens. They can be reached at [mark.lee@jostens.com](mailto:mark.lee@jostens.com) and [julie.lee@jostens.com](mailto:julie.lee@jostens.com). They will make sure that you get set up with everything that you need. Jostens will also be here on Thursday, April 7<sup>th</sup>, during lunch time, delivering graduation announcement boxes, by the office. Jostens will also accept graduation announcements and cap and gown orders on Thursday during their visit.

As we head full force into the fourth quarter it is imperative for seniors to pass all their classes, especially those required for graduation. Please communicate with teachers if you have problems or concerns and FINISH STRONG!

Thanks,

Marcus Culpepper

# Career Center News

By Sylva Applebach, College and Career Center Facilitator

[sapplebach@washoeschools.net](mailto:sapplebach@washoeschools.net)

[College and Career Center / Homepage](#)

This is a busy time of year for our juniors and seniors. Juniors recently took the ACT test and once scores are sent out, students will start receiving postcards and letters from colleges. This is a great time for juniors to start researching colleges and visiting them over the summer. Many schools will have tours available for prospective students which is always a great way to learn more about the school. For students looking out of state, the Western Undergraduate Exchange Program (WUE) is a great way to save money on tuition while going to school outside Nevada.

Lately, we have been announcing many programs for students interested in vocational schools. TESLA, Renown Health, TMCC all have specialized cohort programs that offer students the opportunity to learn while being paid. Some of these programs are for students that have graduated, and some are for Juniors heading into their senior year. If you are interested in any of these programs, please stop by the Career Center for more information. Opportunities include Manufacturing, Certified Nurse Assistants, Phlebotomy, Dental assistant and much more.

The senior banner is up and ready to be filled for the Class of 2022. This banner is displayed outside the counselor's office beginning in April through the rest of the year. It displays pendants of our seniors and their plans. We keep it up until the Awards show then it goes back up on the wall for students to come take their pendants home. There is a form in your TEAMS Class of 2022 for students to fill out and submit. If you are enlisting in the Military, taking a Gap year, starting a trade/apprenticeship program, we want to know. **EVERYONE** can have a banner. The deadline to submit the form to have a senior pendant will be **5/25/22**.

Our Senior Awards Night is May 31<sup>st</sup> at the Atlantis Casino Resort Spa at 7pm. Invitations will be mailed the first week of May and we will be requiring you to RSVP. Please submit all scholarship offers you would like printed/announced. We will print/announce all Academic Letter Award recipients, Community Service Letter Awards, classroom awards, and scholarship offers that student receive. These can be from multiple colleges or external scholarships. The Galena General Scholarship recipients will be announced that evening as well. We are happy to announce all scholarships offered to students (whether they attend that university or not). Please provide a copy of the official letterhead from the university and turn it into Mrs. Applebach in the Career Center (or email) by **May 18, 2022**. If students don't turn them in, and we don't know about them, we will not be able to print or announce the awards. Remember: they must be official letters or emails, not a handwritten list from the student.

Happy Spring and please stop by anytime.

Ms. Applebach

# Library News

By Sharon Black, M.A. Librarian, [sblack@washoeschools.net](mailto:sblack@washoeschools.net)

Greetings from the Library!

As we head into the final lap of the school year, here are a few things to know. April is 80's month in the library and we'll be having movies during lunch every day in honor of the decade that saw us through our own teenage years.

Second, our reading raffles are still going strong and in May we will pull 3 winners for The Big Read! Prizes for this raffle are worthy of its name. Get your bookmarks in to be eligible. Our monthly raffles are also always ongoing so listen for your name at the end of each month.

Third, in April we will also be hosting a month-long egg hunt. Keep your eyes peeled for tiny Easter eggs hidden around the entire school. When you find one, bring it to the library for a prize and have your name entered in a raffle to win a giant box of 1980s vintage candy! Seriously, it's the best prize.

And, lastly, on April 13<sup>th</sup> I will be hosting a zoom meeting regarding an educational trip to Europe next spring break. If your student is in good standing and would like to travel to London, Paris, Florence and Rome next March, please jump online and I'll tell you all about it. It's a wonderful opportunity through a top-notch company that believes travel is one of the best educations out there.

We wish you a lovely jump into spring. As always, questions? Just give us a call.

Best regards,

Your librarians
