Five Star Booster News

By Michelle Simmons, Booster President, ghsboosterpto@gmail.com

Hello Galena families and staff,

Thank you so much to everyone who donated to our Santa Wrap. As of now, we've collected just over \$700 in cash, not including gift cards. In addition, 5-Star Boosters allocated \$1000 toward this program. The Santa Wrap has been in place at Galena High School for many years. This program aims to support Galena families during hard times around the holiday season.

On February 4th, we will be hosting our Dollars for Scholars Social. It's the first time since 2019, we've held this event in-person, and we're very excited! Dollars for Scholars awards Galena High School seniors a one-time scholarship. We are seeking donated items that can be auctioned off to generate funds for the scholarship program. We are also happy to accept corporate gifts or price matching. You'll find more information on page 3.

Our Boosters/PTO membership drive is ongoing. We hope that you will consider joining or renewing your annual membership, along with purchasing the Extracurricular Pass add-on, which allows entry for 4 into all Galena regular season home games and fine arts productions that charge an entry fee. So far we've collected over \$12,000 that will be allocated to Galena athletics and fine arts. The membership form can be found on the [Galena website](#).

5-Star Boosters is looking for individuals who would like to fill board positions for the 2023-2024 school year. We are actively looking for people who would like to get involved, learn about what we do and how we do it in order to ensure a smooth transition in the future. Contact me if you are interested. **Our next Booster meeting will be on Monday, December 12, 2022 at 5:30pm via Zoom.** A link will be on our FB page and sent out to members prior to the meeting. Be sure to check out our [Galena High School Parents Facebook page](#). We update it often, so please check back often for announcements and other Galena information.

I wish you all a Happy Holidays and a Happy New Year.

Sincerely,

Michelle Simmons, President Five Star Boosters 2022-2023

Counseling Corner

It is hard to believe that the end of the first semester is rapidly approaching. The semester officially ends on December 22nd (final exams are the 19th-22nd) so there is still some time to improve grades! The final semester grades in December (and June) “count” and will be permanently reflected on the high school transcript. Communicating with teachers is the first and most important step for students to improve their grades.

We now have online tutoring available 24/7 through Paper!

- Students can access this free online tutoring service at any time.
- Paper provides unlimited 24/7/365 tutoring support (sessions can run as long as needed)
- More information is available on the district website at www.WashoeSchools.net/Paper.
- Counselors also have information to help students get started on Paper!

Hopefully your student had a productive and successful first semester. **If, however, your student does not pass one or more required classes for graduation, it is not too early to make those credits up.**

- A plan needs to be established ASAP for how your student will make up any required credits.
- Students can make up required credits online via (Edgenuity) and/or through BYU Correspondence (another online program- there is a fee for BYU courses).
- Another option is to make up any failed courses during the next school year if your student is not an appropriate candidate for online courses.

Regardless, in January all students have a “clean slate” so please put forth your best effort to ensure that you pass all classes by the end of the second semester so you do not have to make up any additional classes.

Parents: We encourage you to have a conversation with your student about how their first semester has gone. Some questions to ask might be “What seemed to work well?” or “What areas did you struggle in and what could you do differently? These questions will help focus on coming up with some solutions.

With the start of the new year comes the time to start thinking about registration for your next year classes already!

- Registration for current Galena students will begin in late January/February- more details to come so please stay tuned!
- Registration does not renew automatically. You must register your student for the 2023-24 school year.

Please feel free to contact us if you have any questions or concerns. We hope you enjoy a restful and relaxing Winter Break! Please see our Counseling website [Galena Counseling Department](#) for updated information, forms, and resources, and follow us on Instagram @galenagrizzcounseling

From the College and Career Center

I hope everyone is having a wonderful holiday season. Winter break is a great time to apply for scholarships. For seniors looking to help pay for school, apply to as many scholarships as possible. Many have been posted in our TEAMS class and on the College and Career Center website. **The Galena General Scholarship** is our in-house scholarship. Last year we awarded 45 scholarships totaling \$30,000 in awards. Don't miss out on an opportunity to apply. **The due date this year is January 20, 2023. Late submissions will not be accepted.**

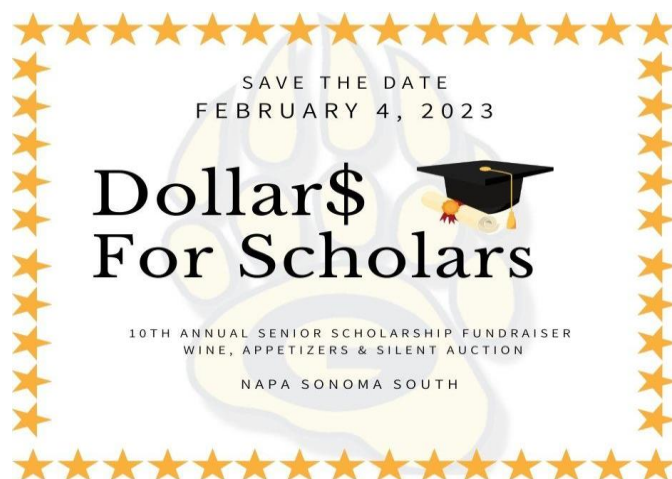

Many local companies are looking for seasonal work. Check out the job board in the 500 hallway outside the career center if you are looking for work.

For seniors looking to live on campus, make sure to research the housing options at your school of choice. Each school does it differently, so please research what needs to be done.

We have had many vocational trade schools visit classrooms and give presentations. Not interested in traditional post-secondary education, come see me in the Career Center for contact information. We can connect you to representatives in auto mechanics, construction, the food industry, and much more.

Have a safe and relaxing winter break.

Library News

By Sharon Black, M.A. Librarian, sblack@washoeschools.net

Greetings from the library!

I hope the holiday season is bringing you joy. In the library, this is our favorite season, and we strive to make our space as cozy as possible. In December, the library sports 5 Christmas trees, music, mood lighting and movies nonstop.

This means we are usually very, very full and, during lunch especially, this can lead to a bit of a mess. If anyone out there has an old **vacuum** cleaner they might be willing to part with, the library could certainly use one! We would be grateful. Right now, our handvac just isn't cutting it!

For those interested in our travel program, I will be hosting another Zoom meeting regarding our March 2024 trip to Berlin, Prague, Krakow and Budapest. I've had a lot of parents emailing me with questions so I think another Zoom may be easiest! It will be **December 7th at 6pm**. If you can't make it, I'm also happy to answer any questions by email or phone!

A reminder that the Big Read **Raffle** winners will be drawn in December. For every twelve books students read, they turn in their bookmark. We keep those until they graduate so we have some seniors with many, many bookmarks in the raffle. If you are close to finishing one, get it in by December to be eligible to win one of our big prizes, or just choose \$50! In our library, it literally pays to read.

We wish you all a wonderful holiday season and hope you find some relaxation and joy. If you need any book recommendations for a snowy day, you know where to find me. 😊

Best!

Ms. Black
