From the Principal

By Jay Salter, Principal, Galena High School,
rjsalter@washoeschools.net

Welcome to all new and returning Grizzlies!

Once again, your Galena staff is hard at work planning exciting opportunities for new and returning students, both in Academics and Activities. Unfortunately, we've once again had excellent teachers retire or move to other schools, but fortunately, we've been able to hire some exceptional new teachers to help us move forward in creating an engaging school curriculum. **We are still searching for Math teachers, so if you know anyone interested, please have them contact me at:** rjsalter@washoeschools.net.

We all want to see Athletes training and competing, scholars in classrooms and labs, and students involved in club activities here at Galena. If your students would like information about Athletics, Curriculum, Activities, or Clubs, please see the Galena Website or call the Main Office at 851-5630.

For this year, we will continue to use Wednesday as our designated "Connect-Ed" school communication day. To reduce the number and length of calls or overly frequent email that families receive from different departments of the school, we are managing our communication into one concise call and/or email. **The most important aspect of this practice is that we are able to bring our students directly to you every week for the events taking place. Each week, we will have our students, athletes, competitors, musicians etc., record the Wednesday phone call, so make sure to listen to the messages when we call at 6 p.m.** The weekly information from the phone call also includes an email attachment with the more in-depth information. All weekly messages, as well as [daily student announcements](#), will be posted on the website, and on the [Galena Parents Facebook page](#). Please make sure that your phone numbers and email addresses are correct in Infinite Campus.

Thank you to the Galena 5 Star Boosters/ PTO for kicking off the new school year on August 9th with an awesome breakfast! The Galena Staff adventured up to the Sky Tavern Ski Area for training in Authentic Grading Practices, Social Emotional Learning, the Innocent Classroom, Project Based Learning, and Restorative Practices training on August 10th. We continue to examine our grading policies and practices to achieve an "accurate" depiction of what a student does and doesn't understand, and how they can show mastery of a concept in a variety of ways. **This year, we are also instituting a "Citizenship Gradebook," so be sure to ask your students about how each teacher manages non-academic expectations: Citizenship Means Something at Galena!** We are also committed to top-quality Professional Development, so we consistently invest time and resources into our various staff training opportunities across a wide spectrum to meet the various needs of our staff. Galena's Mission Statement is: "Galena High School will challenge students to develop academic and career skills for post high school options," and we as a staff are dedicated to innovating and adapting to the needs of our students so that their education is relevant and rewarding.

Hello my name is Michelle Simmons and I'm the Galena 5-Star Boosters/PTO President for the 2022-2023 school year. The Growl is our monthly publication produced by Boosters. It's distributed digitally every month to keep our Grizzly families informed and involved.

Our Five Star Boosters/PTO organization is off to a great start. We've had the opportunity to welcome many returning and new families at Galena Open School night, football games and at our August General Membership meeting.

Thank you to everyone who has joined our Boosters/PTO organization or has renewed their membership. **This is an annual membership, so we hope that you will consider joining, along with participating in our No Fundraiser Fundraiser.** And, don't forget the Extracurricular Pass, which is an add-on that allows entry for 4 into all Galena regular season home games and fine arts productions that charge an entry fee. All proceeds from the Extracurricular Pass go to Galena Athletics and Fine Arts. The membership form can be found [online by clicking here](#), below on pages 6-7, and on our [Boosters page on the Galena Website](#).

Last year we helped fund: Senior scholarships, new band uniforms, new Autoclave for the Science department, ink and cartridges for the CTE Department's UV and 3D printers, a new pug mill for the Art department, monthly Teacher Appreciation events and Senior events to name just a few.

Welcome to the Galena Family

By Ann Marie Redd, Assistant Principal, Testing, SPED & Professional Development

Antoinette.Redd@washoeschools.net

Greetings Grizzlies,

I am so excited to be a part of the Grizzly Family. During my two decades as an educator I have had the honor of serving as a K-12 teacher, elementary & middle school instructional coach, high school assistant principal, and district school improvement specialist. I am a graduate of the University of Florida and Nova Southeastern University. I am the proud mom of a Navy Sailor and three beautiful adult children and I love camping and exploring the outdoors every chance I get. I recently moved to Reno a year ago from Jonesboro, GA and have spent the past year serving Bennett Elementary as a Learning Facilitator. I look forward to getting to know and work with every member of the Galena family as we continue to challenge and support our students to be the very best! *This year my duties as assistant principal will include testing, special education, and professional development.*

It's great to be a Grizzly!

Hello grizzly families!

I am Vanessa Nelson, and I am so excited to be at Galena High School as an Assistant Principal. This year I will be overseeing attendance and curriculum. I was born and raised in Reno and am a very proud Galena alum. Since that time, I graduated from the University of Nevada, Reno with a degree in Political Science and Education. I have a master's degree in Teaching and in Educational Leadership. This is my 17th year in education, and I am looking forward to working with the students and families of GHS. Outside of school, my husband, two girls and I love to travel and spend time together. I am looking forward to meeting each of you at various Galena activities.

It's good to be a grizzly! GRRR!!

Counseling Corner

Welcome Back Grizzlies! The school year is off and running and hopefully you are settling in and having a good time at Galena High School! We are getting close to the middle of the first semester already. The grade report that comes home at nine weeks is a “progress report”. Progress report grades are **not** reflected on the “final” high school transcript. Only semester report card grades are reported on the transcript. If your progress report has low grades, you still have time to improve those grades before the semester ends in December. The second semester will end in June. Remember: December + June = when grades go on your official transcript! **The last day to add a class for credit is September 12th, and the last day to withdraw from a class without penalty of an “F” on the transcript is November 4th**; however, it is too late to ‘add’ a class at that time. Please contact your counselor if you have any questions or need clarification.

- Leti Silva-Deines (Grades 10-12, last names: A-CHAP) LSilva-Deines@washoeschools.net
- Marisa Dunne (Grades 10-12, last names: CHAQ-D) mdunne@washoeschools.net
- Karen Thomas (Grades 10-12, last names: E-MON) KJThomas@washoeschools.net
- Clara Mitchell (Grades 10-12, last names: MOO - Z) cemitchell@washoeschools.net

We believe one of the most important things for all students is getting into a routine of getting schoolwork done in a timely manner and not missing any assignments or homework. Over and over, it can be shown that students who have all assignments completed do better on quizzes and tests. Also, we cannot stress enough the importance of attendance. At Galena, academics is our number one priority; however, we absolutely encourage you to help your student maintain a balance of fun activities and school-related responsibilities. Hopefully your student is learning more about some of the sports and student organizations that Galena has to offer. The more a student becomes involved and connected with school-related activities, quite often school becomes a more positive experience!

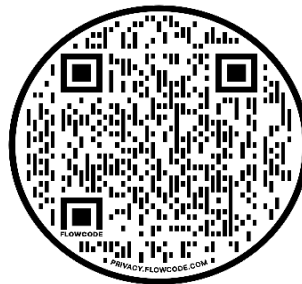

Now that the semester is underway, students and parents may reach out because they are struggling in a particular class. Our first question is (almost!) always “Have you talked with your teacher about your concerns?” The most common answer we get is “no.” Galena has a team of fantastic teachers who are more than willing to provide extra help and support to students, but the student must be willing to ask for help and take advantage of the extra help offered. Many teachers are available at lunch and either before and/or after school (students should check with their individual teachers). We understand that high school can be a little bit intimidating and we are more than happy to help facilitate the process of getting your student extra help!

Counseling Corner (Continued)

Parents should have access to student grades, attendance, and assignments on Infinite Campus. If you have not logged into Infinite Campus yet or are having problems logging in, please contact Dana Leslie in our main office. Please continue to regularly monitor your student's progress so that any difficulties or problems can be addressed immediately!

In September, we will be visiting classrooms to discuss graduation requirements, diploma types, future course options, tips for success and college planning. For our seniors: please pay close attention to our College and Career Center website, as well as the Galena Counseling Website. Ms. Applebach is a tremendous resource to help you navigate the college/scholarship search process and all senior students should be on her teams already! We are all here to help, so please contact us with any questions or concerns. Here's to a great year Grizzlies!

Library News

By Sharon Black, M.A. Librarian,
sblack@washoeschools.net

Greetings from the library!

We are excited as always for a great year. We strive to be a safe place for students as well as a source of knowledge and assistance with everything from tech troubles to databases to community games to finding the right book. Every month we have multiple raffles running and there's always a game to play, puzzles to solve and prizes to be had at the end of the month. Additionally, students are welcome to eat lunch in our space and even enjoy a movie.

If your student is having any tech issues this year, please don't hesitate to send them our way. If we can't figure it out, we'll be able to direct them to who can.

We are still so grateful to our 5 Star PTO for the lovely tables they purchased for us last year. What a difference! This year we are looking to partner with people in the community to further beautify our library. **One goal this year is to replace our chairs.** If you are interested in purchasing even one chair, we are happy to slowly accumulate them in order to make our space more inviting and comfortable for our students.

Finally, the library runs annual trips through EF Tours. I've always been an avid traveler and after Covid I decided I wanted to be able to share travel with more students. EF Tours is a company with over 50 years of experience and endless possibilities of tours. This year's trip (London, Paris, Florence, Rome) is set for this March and full (there is a waiting list), but if you are interested in having your student join us for our **March 2024 trip through Berlin, Prague, Krakow and Budapest**, be on the lookout for signups in September. I want to book it early so that monthly payments are even more affordable. If you have any questions at all, please don't hesitate to reach out.

I'm looking forward to a terrific year!

All the best, Ms. Black
