2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

ELA Core Curriculum & Instruction: Based on NVACS, and our Essential Standards for ELA, our 2023-2024 goal is to continue to increase ELA grade level growth in all grade levels as measured by 85% of students meeting the grade level ELA i-ready goals or higher and/or 85% of students making at least 2 points growth on their SLO.

To support students to achieve this goal, we will:

1. Review standards-based instruction on weekly PLC's.
2. Review i-ready data monthly in PLC's.
3. Adapt tiered intervention support based on i-ready intervention lessons.
4. Train intervention teachers to use i-ready platform.
5. Train teachers on i-ready reports.

Student, Staff, and Family Partnerships Goal

Based on our student climate survey data 22-23, our 2023-2024 goal is to increase our student self-management of emotions by 10% and decrease the total number of major discipline events in infinite campus by 10%.

To support students and families to achieve this goal, we will:

1. Elicit stakeholder voice to form consensus on schoolwide vision and mission regarding SEL and PBIS.
2. Adopt common practices/curriculum/resources; utilize common, age appropriate SEL language and PBIS practices schoolwide.
3. Build schoolwide Restorative Practices that are used by all teachers for conflict resolution.
4. Work with WCSD CASEL department and trainers to analyze current programs and develop a streamlined approach to SEL and PBIS delivery.
