

Hunsberger PTO Minutes 2/7/25

Attendees: Erin Griffith, Erica Edwards, Brittany Pearce, Cadence Laird, Beth Geerling, Aaron Grossman, Morgan Fritz, Ericka Trappe, Jake Raum, Kate

*Approval of previous minutes

***Yearbook**

- teacher votes for the new cover ends today, 2/7
- fifth grade dedications price goes up 2/14; have 25 and need 55-70;

reminder that there are two free pages per yearbook for every child

***Robotics**-trying to accommodate more kids; talk about having a competition at Hunsberger; talk about having a teacher be on board to help Robotics program; talk about a lunch date to discuss how to grow the Robotics program; maybe two teams: Challenge Team 4/5 and Explore Team 3/4

***Missoula Children's Theater**-open registration 3/1 for Alice in Wonderland

***Reno Ice** 2/17, get tickets early because there is a capacity and it will sell out

***Dances**-venue, dates, and number of nights is still undecided. Some attendees want one night for all at South 40; some want two nights at the school for K-2/3-5; another idea was one night split into two time blocks; some concerns were that one big night at the school might too crowded according to last year's numbers and may result in a sell out; South 40 may not get a bog attendance and there is a 500 ticket minimum with a \$500 deposit; the collective objective appears to be for the community, not for profit, and to perhaps call it a "Family Dance" to make it more inclusive

***Buddy Benches** was presented as an idea from students to help kids who need a friend at recess; students' ideas included wooden benches with colorful handprints, etc. Erin G. Suggested \$2500 for three benches for each area of the playground and made a motion, Erica made a second motion, all were in favor

***Music Play**

-all in favor for \$200
