Rick Martin, Director

Scott Lee, Assistant Director

Dear Hunsberger Parents:

We were forced to look for options due to the current driver shortage and schools returning to full time learning. We found that Buses 1620 & 9056 could be combined. This may change the times at some of the stops. Please check below for your students stop location to see if your time has changed. New AM & PM-stop times will start immediately as we were sending out connect-ed messages and want to make it easier on the students and parents with providing Stop Times.

Thank-You for understanding, WCSD Transportation

**Anchor Name:HUNSBERGER ES**

**Bus:1620**
