

Parent Update 12/2/20

HIGHLIGHTS FROM THE PAST WEEK

- Students continued AAPPL testing through Tuesday. Students who are unable to complete their tests on Tuesday must email Mr. Scozzafava to schedule a time to finish at: MScozzafava@washoeschools.net
- ImPACT Testing was conducted one last time on Monday.
- The WCSD Board met during a marathon meeting last Tuesday and voted to temporarily place middle and high school students on Distance Learning due to lack of community resources needed to support schools during the COVID 19 pandemic. Students will begin distance learning on Wednesday, December 2nd, and are tentatively scheduled to return to in-person hybrid learning models on Monday, January 4th.

WHAT'S COMING SOON?

DISTANCE LEARNING

-Students should be *virtually* attending **ALL CLASSES, EVERY DAY!** Students should be prepared to log in using TEAMS on Wednesday morning. Classes will run on schedule, just as in school. The school schedule can be accessed here: <https://www.washoeschools.net/Page/15652>

NUTRITION SERVICES

Meals will continue to be FREE through the end of December. Meals will be distributed on MONDAYS, WEDNESDAYS and FRIDAYS at INCLINE MIDDLE SCHOOL. Please check this link for more information: www.WashoeSchools.net/Nutrition

EQUAL ACCESS TO THE WEB

Incline High School, in partnership with Incline Boosters, is working to broaden the reach of our secure network to the fields and parking lots. This is a large undertaking (over \$250K project) that will not only benefit the students at Incline High School, but the community of Incline Village as well!

We envision a space where students and community members can access the District's Free and Secure Network to innovate, collaborate, and educate. Please reach out to our school's Development and Communications Director at Nicolle.Larson@washoeschools.net if you're interested in championing this endeavor.

OFFICE HOURS

The Incline High School office will be open for usual business hours (7:30- 2:30) during Digital Learning and teachers will be teaching from school.

ATHLETICS

Our athletic season is further **DELAYED** due to the new Distance Learning model. We will update with more information as we receive it. In the meantime, please make sure to:

- 1) Register your athlete at www.registtermyle.com by end of November.
(This will take approximately 10 minutes and you will need proof of birth and residency).
- 2) ALL Physicals must be turned in before students may practice. Physicals are good for 2 years.

VOLUNTEERS/PROCTORS NEEDED

When we return to school, Incline High School will be in desperate need of Volunteers to proctor classrooms while quarantined teachers teach remotely. There is a Volunteer Process and Fingerprinting is necessary. Please reach out to Mrs. Valerie at VJackson@washoeschools.net for more information.
