

ATTENTION: Families of next year's kindergartners!

It's time to begin the registration process for incoming Kindergarten students in 2021-2022!

Most of our kindergartners will start school on August 16, 2021. Please begin the registration process now so we can plan and be ready for your child to start school with enough teachers, desks, supplies, and classrooms.

Who is eligible for kindergarten? Children who will be at least five years old on or before September 30, 2021 may start kindergarten.

When do I register my student? Beginning on January 4, 2021.

How do I register my student? There are **two steps** to register your child.

- The **first step** is to visit www.washoeschools.net/enroll and complete the online registration form. Follow the prompts on this page to find the school your child is zoned to attend.
- The **second step** is to visit your child's school with an original birth certificate, immunization records, and proof of address. *Your student is not registered and enrolled until both steps have been completed.*

For more information, please call your zoned elementary school.
