

Rollan Melton Elementary

Greeting Melton Families,

As the year starts winding down, I would like to take this time to reflect upon what we have accomplished. During the summer, I had many doubts about how school was going to work for this year. I almost lost hope but realized what needed to be done for the kids. It was with your continued support that drove me to make this another successful school year. There was never a day we did not feel appreciated. Thank you, families, for all the love and dedication you have given to us.

Principal's Note

This year has been one filled with many challenges. On looking back, I feel we are coming out of this stronger, wiser, and more understanding. We know we can get any job done.

We have had many ups and downs this year, mostly ups, and we made the best of what we could. The children rose to the top and came to school every day ready to learn. This would not be possible without your help. I appreciate each one of you from the bottom of my heart.

We are now starting to wrap up testing and already working on a plan for next school year. I promise you next year will be amazing. We will work hard to continue the academic rigor and social skills of education. At Melton, we will focus on social emotional learning and getting back on track with the essentials. Next year will be a year you do not want to miss.

Please continue to keep contact with me and hopefully I can meet you and your child's needs. Enjoy the time off. Regroup and reorganize with your family. Thank you once again for being such amazing families.

Hello Melton Families!

We have made it to the end of another school year! As we approach the final weeks of school, I just wanted to update you on the last lessons I will be doing in classrooms. For those of you with students in Kindergarten, 1st, 3rd, and 5th grades I will be ending the year with our Better Safe Than Sorry Lessons. These are lessons that all students in those grade levels throughout WCSD receive. They teach personal safety and stranger awareness. For these lessons I will be sending home a passive permission slip (only to be returned if you **DO NOT** want your student to participate). Be on the look out for that in the coming weeks!

As always, please reach out if there are any issues or concerns! I hope everyone has a relaxing and safe summer!

Rollan Melton Parent Faculty Association

offers a \$1,000 scholarship to graduating seniors who attended Rollan Melton Elementary School. This year the scholarship committee along with a group of 5th graders awarded two \$1,000 scholarships to two former Melton students.

Benjamin Schoening and Brooke Barham were selected as the recipients of this year's scholarships. Benjamin is graduating from Reed High School and Brooke is graduating from the Academy of Arts, Careers, and Technology (AACT) High School. Both students have great memories of their time at Melton and bright futures ahead of them. The Melton PFA is proud of their hard work and delighted to provide them with financial support.

Congratulations Brooke and Benjamin!

Hello Melton Parents!

The final PFA meeting of the year will be on Tuesday, May 4th, at 7:00p on Zoom. During this meeting, we will be electing new PFA Board positions for President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary. If you are interested in learning more about any of these positions, please email current President Jenelle Stathes at jenelleo@gmail.com and she would be happy to answer any questions!
