SCHOOL SUPPLY LIST

Mrs. Wierkelmaier
Kindergarten

A few reminders:

Please write your student's first name on supplies.

Provide your child with a standard sized backpack. Their backpack should hold a regular folder, a lunchbox, and other miscellaneous materials. No rolling bags.

It is always a great idea to pack your child an extra change of clothes for the first couple weeks of school. Place a shirt, pants, underwear, and socks in a plastic bag and put it in their backpack. They may never need it, but it's always nice to have.

Students are expected to use the restroom alone as well as dress themselves. This includes being able to use a zipper, tie their shoes, and put on their jacket.

Write your child's first and last name in their jacket or anything that could be misplaced.

If items are misplaced please check the lost and found located outside the office.
