

Angie's "WHY"

It takes Teamwork, Perseverance, and GRIT from all of us to ensure our students are learning and growing daily. We can do good things in isolation... but we can do AMAZING things as a collaborative team through our work as a Professional Learning Community! High expectations for our students, our colleagues, and most importantly ourselves; ensures fun, engaging and rich learning

Logan came running up to me at graduation '22, so excited to see me on stage, and had to tell me he was going to basic training for the army!

opportunities; the fundamental rights each person deserves.
