The goal of The Kids Zone is to provide a safe, well supervised and fun experience for your child. We maintain low staff/child ratios and have well organized activities. We offer before and after school care as well as camp during breaks.

Our after-school program has a dedicated homework/reading period with help available for your student. Crafts, games and “special activities” are also part of the weekly schedule. Field trips for the break camps include active and community-based activities. We provide adult supervision at all times!

To enroll your child in The Kids Zone please visit us in the multipurpose room during our hours of operation (7:00am-9:30am and 3:00pm-6:00pm) or visit our website and fill out an enrollment packet and a calendar.

Please call or email with any questions!
