5-3:10-3:25pm

This year each grade level will be going outside to participate in a holiday sing-along. During the Covid-19 pandemic we have had to refrain from singing indoors. In order to spread some holiday cheer, we need your help to make this event safe and successful. On the day of the holiday sing-along we will be going outside and standing 6 feet apart with our masks on so that we can sing in a safe manner. Please make sure to send you child with a warm coat, hat, and mittens on 12/17 so that they are comfortable outdoors.

Distance learning parents we would love to have your students participate as well! We ask that only one parent per family chaperones this event. If you have multiple students at Brown ES, please bring them with you and they can participate as well. This event will be located on the D wing black top. There is no need to sign in, you can just come through the gate and stand in the designated location for your child's class. Everyone who is on campus must wear a mask at all times.
