

Washoe County Families are invited to join our Parent University course
Super Parents Supervise: Screen Time, Social Media and Safety will explore
tools for navigating parenting in the digital age.

This presentation will discuss screen time recommendations, the top apps kids are
using, and how to talk to our kids about their screen time use.

November 19th, 2024 5:30-6:30 pm

Do you know what apps your kids are using and if they
are safe? Join us for a discussion about screen time,
social media, and safety.
