

Student Success Goal

By June 2024, Lincoln Park will increase the overall ELA SBAC proficiency to 30% school wide. By June 2024, Lincoln Park will increase the overall MATH ELA proficiency to 27% school wide. Lincoln Park will increase the percentage of students growing adequately to 'Catch Up' or 'Keep up' with 'Meets Standard' (Level 3) by 20% on the ELA SBAC and 18% on the Math SBAC.

To support students to achieve this goal, we will:

1. Create a master schedule that facilitates a daily 45-minute block for focused interventions in ELA and Math.
2. Hire a long-term substitute that will commit to remaining at Lincoln Park for the duration of the school year utilizing the ESSER grant to support Tier I instruction and Interventions.
3. Hire a Teacher Assistant utilizing Title I funding to support Tier I instruction and Interventions.

Student, Staff, and Family Partnerships Goal

The Student Chronic Absenteeism rate will be reduced from 18% to 13% by June 2024.

To support students and families to achieve this goal, we will:

1. The dean of students and counselor will monitor student attendance by running weekly attendance reports and will communicate with parents regarding student 20-day monitors.
2. The attendance clerk will call daily for all students whose attendance is not verified for that day.
3. Create a reinforcement system for students regarding attendance and progress.
4. The school will celebrate students with appropriate attendance through ROAR awards and student recognition.
