Attention Parents:

2019-2020 Middle School Athletic Fee: All Middle School students participating in a sport will be required to pay a transportation fee of \$5 per athlete, per year, regardless of the number of sports the student participates in that year.

These fees offset not only the cost of local travel, but state travel outside our area. Costs for travel have steadily increased for this time period. And it is our goal to maintain a high level of service to our students. If you have any questions regarding these fees please call the Student Activities and Athletics Department at 353-6901.
