

Dear Clayton Families,

Review our ELA, Math and Science SBAC Data. Notice the upward trend prior to the global pandemic, and our standing among other middle schools within our district. Note that we are considered a school with high % of free and reduced lunch (FRL) number, but we do not receive Title I funding. We are in the process of rebuilding.

Clayton Attendance

Look over the Attendance rates of students last year. Sixty-five percent of our students were below 90% attendance rates. We know that the hybrid schedule had a negative impact on many of our students. Note that attendance records took on various forms and were not completely accurate. We do know there is a correlation between attendance and overall academic success. High attendance = Higher Achievement.

In response to the pandemic and dip in scores Clayton has implemented the following strategies:

- Block Schedule 80 min
- MTSS Family Engagement Specialist/ Cub Den Refocus Room
- Teaming with Enrichment SEL instruction
- More Music Classes
- Co-taught classrooms for EL and Special Education
- Instructional Coaching Model
- Intramurals
- Family Nights
- PBIS/ Positive Reinforcements incentives
