

Peavine ELEMENTARY

Dear Peavine Families,

On behalf of the Peavine PTA, we would like to welcome everyone back to school, however that looks like for your family at this time. This is definitely not the year we had planned, but we are working hard to provide the best education, atmosphere and experience for our students and families in this unprecedented time period. We have every faith that Peavine will be able to provide a quality education and safe environment even with all of the challenges facing schools at this time. One of the things that you can do to help is join the Peavine PTA. We are a dedicated group of parents, staff, and volunteers that help bridge the gap between what the school and school district is able to provide and what we would like for our children.

We know the demands on our time seem to be increasing. However, becoming a member of the PTA is something worthwhile you can do that will directly impact the quality of your child's education and school experience. We invite you to come to our first meeting of the year on September 8th at 6:30 via Zoom. We will send home notice and post the link on our Facebook Page.

Being a Peavine PTA member is a great way to meet and connect with other Peavine families and staff and get plugged in! This school is a fabulously small, neighborhood-based school with dedicated, long-time teachers and staff. Communication between the school and home is a key element in our children feeling connected and supported. If there is anything we can help to improve communication or your school experience, please contact us at PeavinePTA@gmail.com at any time.

We are looking forward to resuming our fun family activities as soon as possible!

Your 2020-21 PTA Board,

Kathy Patterson
