

Donna Green
Teacher

Ms. Green has worked for WCSD since 1992. She has dual certification in Special Education as well as General Education. She is presently National Board Certified in Literacy: Reading-Language Arts in Early and Middle Childhood. She earned her Bachelors from the University of Nevada, but her Masters of Education was through Lesley College, Cambridge, MA. She earned the 2005 Literacy Award from the International Reading Association and the Sierra Nevada Council. She was Westergard's Literacy Mentor from 2002-2008.

Ms. Green was born in Boston, Massachusetts but moved to Reno when she was 9 years old. She loves to travel and still feels a strong connection to the east coast because of all the history that is out there. During the summer you may see her at the Greater Nevada Field watching a baseball game or hanging out at Wild Island, her favorite slide is the Black Widow.

Ms. Green's favorite thing to do is talk and catch up with her twin daughters. One lives in Reno with Ms. Green and the other daughter moved to Virginia in the summer of 2019. She is very family orientated and loves playing games or going to Lake Tahoe to spend time with family and friends. She has three grandsons, whom are all very special and dear to her heart. They know how to make her smile and keep her young at heart. Ms. Green's philosophy has always been to make learning fun.
