

Jenell (Jenny) McNeely
Kindergarten

I am new to the Westergard Wildcat family and I couldn't be happier! I graduated from the University of Nevada, Reno in 2008 with my Bachelor of Science in Elementary Education and in 2017 I received my Master of Science degree in Elementary Education with and emphasis on STEM (science, technology, engineering and mathematics) from UNR. This is my thirteenth-year teaching, and my twelfth-year teaching kindergarten in the Washoe County School district.

I have lived in the Reno/Sparks area since middle school and I love living so close to the mountains, Lake Tahoe, and California where I often visit family.

I am mom to three boys, PJ-17. Ethan-7 and Liam-5. Ethan has attended Westergard for the past two years and Liam will join the Wildcat family this year as well. As a family we love to go on adventures; hiking, camping, houseboating and traveling. When I have a moment to myself (lol) you will find me curled up with a good book or romantic movie. My heart has always been with teaching since I was in Kindergarten and I am very excited to continue my passion for learning and building relationships with families here at Westergard!

Feel free to contact me, I would love to hear from you! I am looking forward to a wonderful year!!
