

Julie Moyle
Teacher

Born and raised in Reno, Ms. Moyle attended Reno schools and graduated from the University of Nevada, Reno. She spent one semester in the north of Spain during her college years and has always worked on improving her Spanish.

She has three wonderful children, Elena, Erin and Evan who have been an inspiration to her for the past 28 years. They are on to higher education now, so she spends her down time taking care of rescue Pomeranians who somehow find their way to her. Reading, walking the dogs, and cooking are some of the many interests she has.

Ms. Moyle has taught in the district for more than 25 years with the majority being in the field of ESL. She is looking forward to focusing on and enriching the lives of this group of students. "It's not the destination that matters but the journey".
