

Melissa Mecham  
Counselor

Hello wonderful Westergard families! My name is Melissa Mecham and I am so excited to be your school counselor. I have been a counselor since 2000 and began working as an educator in 1991.

I live in Spanish Springs with my husband of more than three decades, a crazy cat and a loveable dog. We have two grown children and a beautiful granddaughter. We will welcome a new grandson in 2018 August! Life is good!

I love to cook, garden, read, craft and sing. My office is always open for students, parents and staff. I'm looking forward to getting to know you all!

See you in August!  
Melissa
