## A Note from the Principal

TMCC High School Families,

March marks the first day of Spring, the halfway point of Second Semester, and the one-year anniversary of our transition to social-distancing. Time continues to move faster than I ever seem to anticipate!

March will be another busy month for the TMCC High School faculty and staff as we begin to review applications for our sophomore and junior openings for 2021-2022. Over 250 families attended our virtual information nights leading up to applications being submitted, and we are excited to begin to meet our new students. The reputation for excellence that your children have helped our community achieve continues to be recognized throughout Washoe County School District.

Quarter three progress reports will be distributed shortly after Spring Break. These reports share the same information for high school classes that you will also see posted in Infinite Campus. Please remember that information for college classes is not included on these progress reports; students should access this additional information in their Canvas accounts. Leading up to Spring Break, many college instructors will also issue academic warning electronically using the college's Starfish system. Students will be able to see these warnings in their myTMCC account and in their TMCC email. Please continue to meet with your child weekly to look at their progress in Infinite Campus, Edgenuity, and Canvas.

Our Spring Break is March 15th through March 19th. Please remember that our Spring Break is only one week, not two like the rest of WCSD. College classes are also on break during our Spring break, so we hope all our students will be able to wind down, relax, and truly enjoy the break. Students will have their normal at home assignments to work on, but no additional work. If needed, this is a good opportunity for students to catch up with Edgenuity. Most importantly, this is a good opportunity for students to spend time with family and refresh themselves mentally, emotionally, and physically. After Spring Break come the "big push" for the end of the semester!

Enjoy the coming of Spring.

Sincerely,

David Kitchin  
Principal  
TMCC High School  
David.Kitchin@WashoeSchools.net

Home of the

National Honor Society is currently in the process of reviewing prospective member applications. This process will take the month of March. Applicants can expect to receive a decision email during the last week of March or the first week of April. If a student is accepted to National Honor Society, the decision email will have instructions for next steps.

Additionally, National Honor Society is now working on several projects to raise money for scholarships for graduating seniors. When students return from spring break, they can expect to hear all about an exciting opportunity to pie their teachers in the face. The April All School Meeting is one that no TMCC High School student will want to miss.

## Leadership News

The Leadership class has some exciting news for TMCC's Juniors and Seniors! We have partnered up with Cyndi Barnett in order to create a COVID-safe prom plan for our students. We will be collaborating this month to create something as memorable as possible given the circumstances.

We will keep you all updated, and we are excited to share our ideas with you! With us coming close to the halfway point of the college semester, be sure to stay kind to yourself. Please do not be afraid to reach out to leadership representatives that may be in your classes for assistance. We are here to help our student body!

Historian:  
Hayden Bartlett

## Office News

- TMCC HS Spring Break - March 15, 2021 to March 19, 2021.  
\*The office will be open from 8:00 am to 2:00 pm on March 18<sup>th</sup> & 19<sup>th</sup>.
- Parents please complete online registration for the 2021-22 school year.  
To complete online registration, go to [www.washoeschools.net](http://www.washoeschools.net).

Registration needs to be completed by March 15, 2021.  
Completing registration late results in a registration hold on the Student's TMCC registration for Summer & Fall 2021 college classes.

# TMCC Commencement Ceremony

TMCC will be conducting the 2021 Commencement Ceremony as a drive-through event.

Graduates from the class of 2020 (Fall 2019, Spring and Summer 2020) and the class of 2021 (Fall 2020, Spring and Summer 2021) are invited to participate in the combined Class of 2020 and 2021 Commencement Ceremony.

The drive-through ceremony will be held at the TMCC Dandini Campus, 7000 Dandini Blvd., Reno, NV and will take place from May 17 through May 21.

This year graduates will attend the ceremony by Academic Division:

May 17: Technical Sciences

May 18: Business and Social Sciences

May 19: Life Sciences, Allied Health and Public Safety

May 20: Math and Physical Sciences

May 21: Liberal Arts

Your [RSVP](#) will let us know that you intend to participate in the ceremony, and we will use this information to assign you a specific day/time for you and your guests to drive through.

Keep your email address and contact information current with TMCC so that we can continue to update you. If you have any changes, please email us, and include your name, TMCC student ID number and updated information, so that we can keep your record current.

Check the college website for details. <https://www.tmcc.edu/admissions/graduation-commencement/commencement-information>

## Counseling Corner

### Seniors:

Don't forget to apply to graduate from the college if you are on track to complete an associate degree in May or in the summer. Even if you don't plan to participate in the college commencement ceremony, you still need to apply to graduate. Colleges do not automatically award diplomas/degrees. [www.tmcc.edu/admissions/graduation-commencement/graduation-information/](http://www.tmcc.edu/admissions/graduation-commencement/graduation-information/)

If you are planning to take courses over the summer or next fall at TMCC, you need to re-activate your college account by re-applying to the college. If you are taking classes in the summer, you need to apply to the college for the 2nd summer session. You will still be able to take classes in the first summer session.

### Juniors:

It is in your best interest to complete the Non-test information for the ACT. Your account number and instructions were emailed out last week.

### Sophomores:

Please set up an academic advising appointment if you have not already done so. Contact Kelli at [KMarchand@washoeschools.net](mailto:KMarchand@washoeschools.net)
